The Football Season

By "49"

The Academy was represented this year by one of its very best teams, one that exhibited magnificent aggressiveness and spirit throughout the season. Its record is impressive,—six victories to one defeat.

The season opened with a 20 to 0 victory over a lighter and less experienced Groton team. This comfortable score was held down by Coach Sager's using many substitutes in the latter part of the game. A week later we played a heavily favored and much more mature Thayer team, and managed to win, 6 to 0, in a seesaw battle. Our score was made by Captain Brock Martin after a most thrilling forty-five yard run.

The Governors took their third game from the Harvard Freshman "B" Team, 19 to 7; and in this game their skill in passing netted the home team some long gains, with Rod Jennings at the receiving end and Samborski and Canepa doing the tossing.

The Milton game, at Milton this year, was particularly interesting because Milton was seeking revenge for last year's severe defeat. After a scoreless first half, the Governors seemed to find new spirit and made two scores as first Bud Reed and then John Canepa crossed the line. The final score stood at 13 to 0.

The Belmont Hill team in the next game, although it was supposed to be the underdog, almost upset our winning streak by their fighting spirit. Both teams scored in the first half, and each found the power for further scores in the fourth period. We were glad to win at 25 to 20.

One of the most exciting games ever played on Morse Field was fought out the next week with the heavy Moses Brown team. The excitement started with the opening play, as Rod Jennings fell on the ball after it crossed the opponents' goal line. The teams took turns leading in the scoring, until we at last tied up the victory on a pass from Jennings to Martin. In a season rich in good football and in thrills, this game stands out as unique in spectacular plays. The final score stood at 14 to 13.

At Marion the following week, the Tabor team, stronger and heavier, wore us down, and won by 7 to 0. It was a heartbreaking game to lose, for our team outdid itself. A wet field and very heavy penalties were factors in our defeat. Brock Martin's 73-yard run for a touchdown which was disallowed will not soon be forgotten.

The coaches, Messrs. Sager, Murphy and Brown, deserve the highest praise for their skill in keeping the team up to a high pitch for every game while at the same time warding off overconfidence.

The Soccer Season

By Ashley Eames

Many soccer enthusiasts felt that the Governor Dummer Academy soccer team of 1948 was lacking in experienced players, and, therefore would not win its share of games. However, these friends overlooked the fact that many prep school soccer games can be won by beating the opposing team to the ball. Coaches Navins, Traver and Captain Veasey instilled that attitude into every player, and a most satisfactory season resulted.

The opening game found the Governors beating Belmont Hill School by a score of 2-0. Dave Yesair opened the scoring of the season by a line shot from his left outside position, and Captain Veasey clinched the game in the third period.

The next time out, the Red and White were defeated by a strong Andover eleven, 2-0. The Harvard Freshmen then felt well at home defeating the Governors, 5-1.

However, at this point the complexion of the season changed and the forecasters began to look the other way. Watertown High School was easily taken care of, 4-0. Tom Otis at center fullback played an important role in enabling goalie Bob Deering to keep the opponents scoreless. The following week the Governors fell before Milton in a slam bang game won by a lone penalty kick. The Red and White halfbacks Hall, Emery and Statler displayed great defensive ability.

A game with the M.I.T. freshmen showed the Governors' offensive ability with Captain Veasey scoring three on passes from Eames while Charlie Bowen accounted for the fourth. Dana Getchell playing right fullback was a bulwark on defense, booting many powerful goal kicks.

John Veasey and Ash Eames shared the goals in a 4-0 win over St. Paul's which saw Deering obtain his third shutout in the goal. The winning streak was then untrimmed against Belmont High School. Aided by a mid-field kick by Manson Hall which resulted in a goal and by the great fullback play of Dana Getchell, the Governors were victorious, 2-0.

A strong Medford club then downed the Red and White in an overtime period, 3-2. It was clearly the outstanding game of the season for the South Byfielders, for the type of play was thrilling. Pete Statler shone at the left halfback position while aggressiveness on the part of Veasey and a close-in shot by Eames kept the Governors in the ball game.

The last game of the season found Tabor Academy unable to stop the continual barrage of passes and shots poured at them by the Governors. After trailing, 1-0, at half-time, the Red and White continued their offensive efforts against a defensively minded Tabor team, and, as a result, two goals were scored to win the game, 2-1. The first goal came on a goal-scramble with Veasey tucking the ball in the corner. The second came with a minute to play when Eames scored on a pass from the outside.

The soccer team of 1948 ended the season with a record of six victories and four defeats. However, whether victory or defeat was to be the case, the Governors displayed a brand of soccer that marked the team as a milestone in Governor Dummer soccer. They proved to be a fiery incentive to the young soccer players on their way to the varsity.

The Hockey Season

By David R. Hershey

Old Man Winter was cruel to the Governors' Bladesters this year. Coaches Brown and Murphy had high hopes for a successful season, but adverse conditions made practices next to impossible. Results—the hockey team was the most versatile squad in a most versatile school. They became experts at a caveman-variety of basketball, cultivated the fine art of volleyball, played a new game appropriately called pushball, and, on account of frequent jogs to Thurlow's Bridge, a few of the players turned their minds to Nature. These variations were all due to a lack of ice.

The first game, at Concord with Middlesex, was a close contest all the way. However, the game went against the Governors, not because of the failure to check back and play position, but because of skating. Ash Eames scored their only goal.

Probably the highlight of the season was against Browne and Nichols when we walked away, 3 to 0. This game was the only one played at South Byfield, and perhaps the moral support from the side lines set the team on fire. Ash Eames again put in the first tally, and to show that it was not luck, also shot the second one past the Noble's goalie. His line mate, Charlie Bowen, whipped through the defense and made the score what it remained throughout the game. The Governors were constantly threatening, to the delight of the coaches and supporters.

At all times the team as a whole played hard and spirited hockey. The competition was stiff, and the ice was scarce. There was no let-down thanks to the fine leadership which Manson supplied. He always gave more than he was asked to.

The Basketball Season

By Robert O. Coulter

For the last three years, the Governor Dummer Basketball team has been increasing its strength and ability, until this year it reached its peak, to become one of the smoothest, best-performing teams in the history of the Academy.

The team had an especially tough schedule this year, playing several college freshmen teams. Nevertheless, it came through with flying colors, winning ten, and dropping only three. Almost every game, won or lost, was decided in the final minutes of play.

The whole team worked like machinery as Captain Bob Deering led them with his skillful ball-handling. This was Bob's fourth and final year on the first string. Rod Jennings, six-foot-five center, sparked the team with a twenty-two point average per game, and Johnny Canepa, fast little forward, was able to hit the basket with deadly accuracy from any place on the court. Bill Judson and Brock Martin, the two guards, controlled both backboards at all times, intercepting enemy passes, and doing their share of scoring.

The entire season was characterized by tense, exciting games. Probably one of the most thrilling was the game with Lynn English High School. Last year they had beaten us by one point. This year, summoning up all their spirit and fight, the Governors downed Lynn, 52 to 47, in a game that will long be remembered here at school.

Another game worthy of mention was with Huntington School. This game seesawed back and forth, and was won in the final thirty seconds to end the season in triumph.

During the spring vacation the team took part in the Massachusetts Preparatory School Tourney in Boston and there added the Class B Championship to their earlier successes.

Coach Navins is certainly worthy of much credit for the success of the team this year. Through his able management, the players gathered the confidence and the know-how necessary to win.

The Wrestling Season

By James G. Bever

I am quite certain that Mr. Miller anticipated a pretty fair season this year, with four regulars returning to school. From these, Terry Pyke was elected captain.

The team lived up to expectation, winning their first match, with Browne and Nichols, and then beating Noble and Greenough handily. But they suffered a setback at the hands of the powerful St. Mark's team. Then the Governors took Roxbury Latin in their stride. At Milton, while our team performed admirably, we lost by a heavy score. Here George Tulloch won his match by a decision; later, he proceeded to complete his season unbeaten in the 135-pound class. The undefeated Brooks team we beat easily. For the Tabor match, our team was really "up", as it needed to be, since we had not won from Tabor for some years, and since some of their men had won matches against the Andover wrestlers. And this match we managed to win by a very close margin.

Jake Brown was an exceedingly smart wrestler, often using his opponent's mistakes to his own advantage. He lost his only bout at Milton. He and George Tulloch are to compete at the New England Prep School Meet at Milton.

George Tulloch will return next year, as will also Don Bishop, who this year pinned three of his opponents. These two, with Bob Smythe and Reg Towner, will form the core of next year's team. Mr. Miller, our coach, worked exceedingly hard with the squad, and he succeeded also in promoting a great deal of interest in his sport. Mr. Goodenough assisted Mr. Miller and deserves great credit for his devotion, as does Terry Pyke, who made an inspiring and persevering captain.

The Winter Track Team had its second season this year. Among the events in which the team participated were informal meets with Exeter J.V.'s, Roxbury Latin School, and the New England Preparatory School Meet at Andover. A relay team was also sent to the Boston Athletic Association Meet which won over the Roxbury Latin team. Captain Hamel, Denkert, and Cushman were the top point winners. Tim Greene also did very well in the hurdles and shows fine prospects for the spring season. Several new track candidates showed a marked improvement.

The team did very well and should ably serve its prime purpose, to be of assistance to the Spring Track Team.

The Glee Club

By Howard D. McIntyre, Jr.

As the Glee Club last year had reached record membership, it lost the quality and perfection that is inherent in a smaller group. The concerts, more often than not, were spotty and lacked the precision that is so essential in any field of music. To be sure, the Club had dynamics; but a concert group having such wide acclaim as the Governor Dummer Glee Club can not afford to substitute volume for a traditional quality.

In an effort to re-establish the former excellence of the Club, Mr. Sager determined to introduce a new system. No boy would be granted membership in the Club on the strength of previous participation. Instead, Mr. Sager held auditions, checking carefully each applicant's ability. Although this method of selection consumed an inestimable amount of time and effort, it provided for the selection of new talent and set a firm foundation for a strong Club.

Early in the season, it became apparent that Mr. Sager's energies had not been expended without result. However, it was not until the middle of April that the Club was given the opportunity to display its actual ability. As last year, the Glee Club participated in the Spring Festival at Symphony Hall, Boston. Under the leadership of Malcolm Holmes, an excellent musician and a fine humorist, our Club sang with six others to a capacity house. The success of this concert and its forerunner has set a tradition which will bring many enriching musical experiences to future clubs at Governor Dummer.

This year the Meistersingers had an equally creditable season. As in previous years, they were handicapped by the full schedule of the Club. However, they managed to sing several engagements between concerts and rehearsals. Credit for the year's success should also be given to the accompanists, Charles Arnold and William Judson, and the soloist, Philip Hopkins. Clifton George has been dependable both as soloist and as president of the Club. In conclusion, the managers must not be forgotten. Their job is an important one and was well executed.

The Governor Dummer Chapter of the *Cum Laude Society* received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must attain a minimum standing of eighty percent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities or deficiencies, and the nature and number of the courses on which his average is based.

This year the annual initiation banquet was held on Friday evening, May thirteenth. Dr. Elliott Perkins, Master of Lowell House at Harvard College, was the speaker.

Commencement Prizes of 1948

The Morse Flag — Duncan Howard McCallum

Presented by the Reverend Glenn Tilley Morse to that member of the graduating class whose record in all respects has met with the highest approval of the faculty.

The Master's Prize — Stuart Huntington Otis, Jr.

Presented by Mrs. Edward A. Eames to that senior who, by his unselfishness and sportsmanship, has best exemplified the spirit of the school.

The Thorndike Hilton Cup — Robert Edmund Rappoli

Presented by the Class of 1919 in memory of their classmate, Thorndike Hilton, to the ranking student in the graduating class.

The Moody Kent Prizes

Presented for the highest standing in each department of study.

English	Richard Joseph Smith
Latin	John Currier Gallagher
French	Robert Edmund Rappoli
Spanish	William Worthim Collins
Mathematics	Richard Sheldon Palais
Science	Ransford Stevens Cooper
History	Theodore Appel Long

Richard Hawes Francis Scholarship — Theodore Appel Long

Awarded to a senior of high character, who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness during his school life.

The Ingham Scholarship — Alan Foster Flynn, Jr.

Established by the former headmaster, Dr. Charles S. Ingham, and other members of his family to help an industrious and able boy.

The Music Prize — David Harrington Ellsworth

Presented by Mr. Rupert Neily of Portland, Maine, for exceptional appreciation of music.

The Goodwin Athletic Prize — Edward Ashley Eames, II

Presented by Mr. Fred H. Goodwin of the Class of 1916, for the best all-round athletic record of the year.

The Harvard Alumni Prize — David Payson King

Presented by the Harvard Club of Boston to an all-round boy in the junior class.

The Rensselaer Polytechnic Medal — Henry Staphen Spacil

Presented by the Alumni Association of the Institute for proficiency in science and mathematics.

The Gaffney Prize — Davison Pierson

Established in memory of Robert A. Gaffney. This prize is awarded to that senior who, in the opinion of his teachers, has been most considerate of the rights, opinions, and sensibilities of others.

Public Speaking Prizes — *First*, George Jerrold Chase, Jr.
Second, Richard Sheldon Palais
Third, Thomas Magoun

Awarded from a fund established by Mr. Fred M. Ambrose, former president of the Board of Trustees.

The Richard Little Dodge Prize — Edward Webster Dann

Presented in memory of Richard Little Dodge of the Class of 1940, for proficiency in Mechanical Drawing.

Special Prizes

Through the generosity of Mr. Milton Dodge of Newburyport, the Academy is able to offer each year a few Special Prizes to boys who have qualified for no established prize, yet whose personal qualities or unusual accomplishments merit recognition.

To Jarvis Winn Lambert of Rectortown, Virginia, a special prize for improvement. Jarvis Lambert, in his senior year, has developed a pride in scholarship and a seriousness of purpose which have won the respect and admiration of his teachers.

To George William Bender of Beverly. George conceals the courage of a lacrosse player beneath a slender physique, a gift for public speaking beneath apparent diffidence, and a keen sense of humor beneath a sober countenance.

To Benjamin Heady Lawwill of Cincinnati, Ohio. As a freshman, Ben won his wings somersaulting out of second-story dormitory windows. As a senior, he won a new school record in the pole vault. So you see he is what we call "an air-minded boy." But Ben deserves a special prize because, after five years at Governor Dummer, this "air-minded" boy has learned, as a scholar and as a citizen, to keep his feet firmly planted on the ground.

To Francis Gauron DuGrenier of Bradford. Frank is conspicuous for hard work in studies, inspired leadership in football, and steady influence in school. Few boys are more respected by teachers and students alike.

To Brian Willis Pendleton of New Haven, Connecticut. An able, serious student, a boy with a high sense of responsibility, Brian is flighty only when winning hurdle races—notably the Private School Championship at Andover.

To Thomas Magoun of Worcester. A first-class pitcher, a steady quarterback, a good basketball player, Tom has developed his attributes to the full. As a student and as a member of the community, he has never done less than his best.

The photographs used in the MILESTONE are the work of the following, to whom we tender our warm thanks:

Bob Comey, Jay Curtis, Duer Thompson, Peter Smith, and the Eames Studios, of Manchester, N. H. Bob Comey won the prize offered for pictures printed in this book.

We would like to thank the various friends of the MILESTONE who, although not definitely connected with the staff, yet have made generous contributions to this book. And we wish particularly to acknowledge our indebtedness to:

Mrs. Jane M. Gale for help in accounting.

Mr. Leonard Wright for help with advertisements.

Mr. Harold Johnson of the Andover Press for relieving us of many worries.

The patrons of the MILESTONE dance for pecuniary support,

And our advertisers for making this book possible,
